Accelerate: High-Dosage Tutoring 2025-2026 Timeline

The Accelerate: High-Dosage Tutoring 2025-2026 Timeline outlines key dates and deadlines for school systems to plan, implement, and report on their High-Dosage Tutoring. This year-at-a-glance timeline tool is designed to help school systems stay on track with program requirements, ensure timely submission, and maintain compliance for funding.

Date	Task
Ongoing	Track daily tutoring attendance for end-of-year data extract
August 19	BESE meeting to approve allocations
August 22	eGMS opens to submit your Accelerate: High-Dosage Tutoring plan
September 15	Accelerate: High-Dosage Tutoring plan due in eGMS
October 14	BESE meeting to approve allocations
December 1	All HDT plans must be approved in order to receive funding for the 2025-2026 school year
January 31	eGMS Quarter 1 Fiscal Reporting (July, August, September) and Quarter 2 Fiscal Reporting (October, November, December)
March 2	Data manager submits end-of-year High-Dosage Tutoring Extract. Window opens on March 2 and closes on June 2.
April 30	eGMS Quarter 3 Fiscal Reporting (January, February, March)
June 2	High-Dosage Tutoring Extract window closes. Data manager submits end-of-year attendance extract in EdLink 360.
June 30	eGMS Quarter 4 Fiscal Reporting (April, May, June)

Tutoring leads can contact tutoring@la.gov for tutoring program questions. If you have questions about the attendance extract, please reach out to systemsupport@la.gov.
