

ASPIRING EDUCATORS

Shaping Louisiana's Future

How do I access Aspiring Educators: Shaping Louisiana's Future?

Aspiring Educators: Shaping Louisiana's Future is a Pre-Educator Pathway Curriculum that is easy to access and use. These materials are an open educational resource ([CCBY Attribution-NonCommercial 4.0 International](#)) available for free download and free use non-commercially. The units can be used, adapted, shared, and printed without permission, with the understanding that for any reuse or distribution, you must make clear the license terms of this work. To implement either the Foundations of Education or the Learning Communities units, teachers will need access to the teacher guides, instructional slide decks, assessment tables, and the student materials. All decisions about access are local decisions.

The curriculum and curricular resources are housed on LDOE's [professional learning platform](#). Users will complete the permissions process in order to create a professional learning platform account. Users will then be able to access the curriculum materials in the course catalog.
