

Overview

In order to prepare future principals for success in their first year as a principal, the Aspiring Principal Fellowship will support the development of aspiring school leaders across the state. The Louisiana Department of Education launched a pilot cohort in 2021-2022 for aspiring principals and is expanding the Aspiring Principal Fellowship for the 2022-2023 school year. The fellowship will prepare up to 50 individuals with the critical knowledge and skills needed to serve in the principal role. This selective statewide fellowship is rooted in Louisiana's five priorities:

1. Ensure every student is on track to a professional career, college degree, or service.
2. Remove barriers and create equitable, inclusive learning experiences for all children.
3. Provide the highest quality teaching and learning environment.
4. Develop and retain a diverse, highly effective educator workforce.
5. Cultivate high-impact systems, structures, and partnerships.

APF cohort participants will meet during the 2022-2023 school year to explore best practices with regional experts, school visits, and reflection. Participants will exit this fellowship with a robust leadership portfolio, the guidance of some of Louisiana's most successful principals, and a strong network of lifelong colleagues. Fellows will explore the following topics:

- Observation and Feedback Cycles
- Accelerating Learning
- Staffing and Scheduling
- Instructional Leadership Teams
- Teacher Collaboration
- Recruitment and Retention
- School Accountability

APF cohort participants will attend 6 meetings throughout the year. The participants will be assigned to one of the two cohorts. The dates for both are listed below for each session.

- Introductory meeting at the Teacher Leader Summit May 31-June 2
- September 28/29, 2022
- November 9/10, 2022
- January 18/19, 2023
- February 15/16, 2023
- March 15/16, 2023
