# ARISE Schools' Teacher Residency

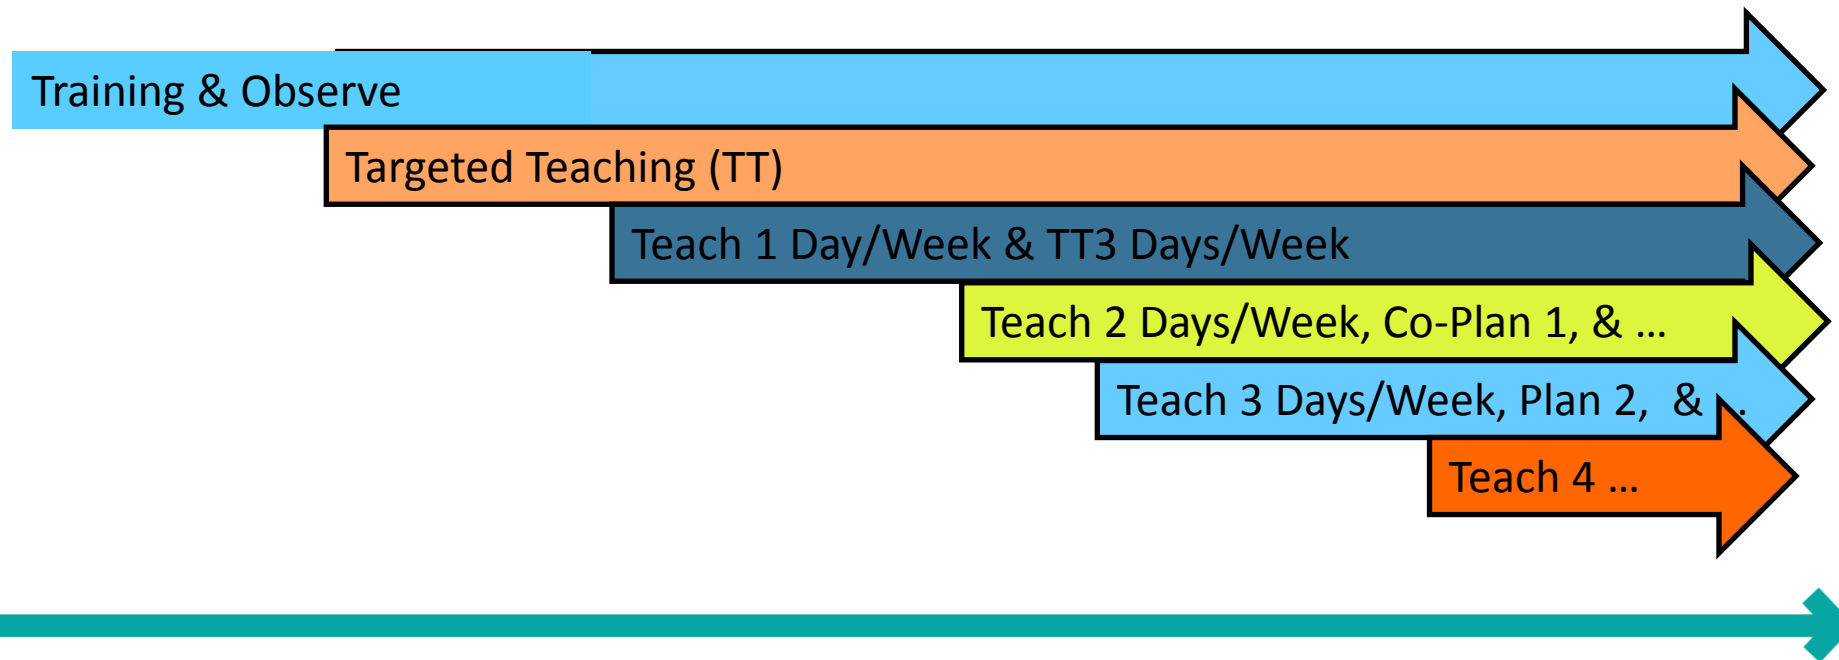

## Teacher Residency Vision

The ARISE Schools Teacher Residency (an AmeriCorps program) will enhance student achievement and offer aspiring teachers with no formal teaching experience a unique opportunity to receive high-quality training at an ARISE Schools' school through a one-year fellowship (July 2015 – May 2016).

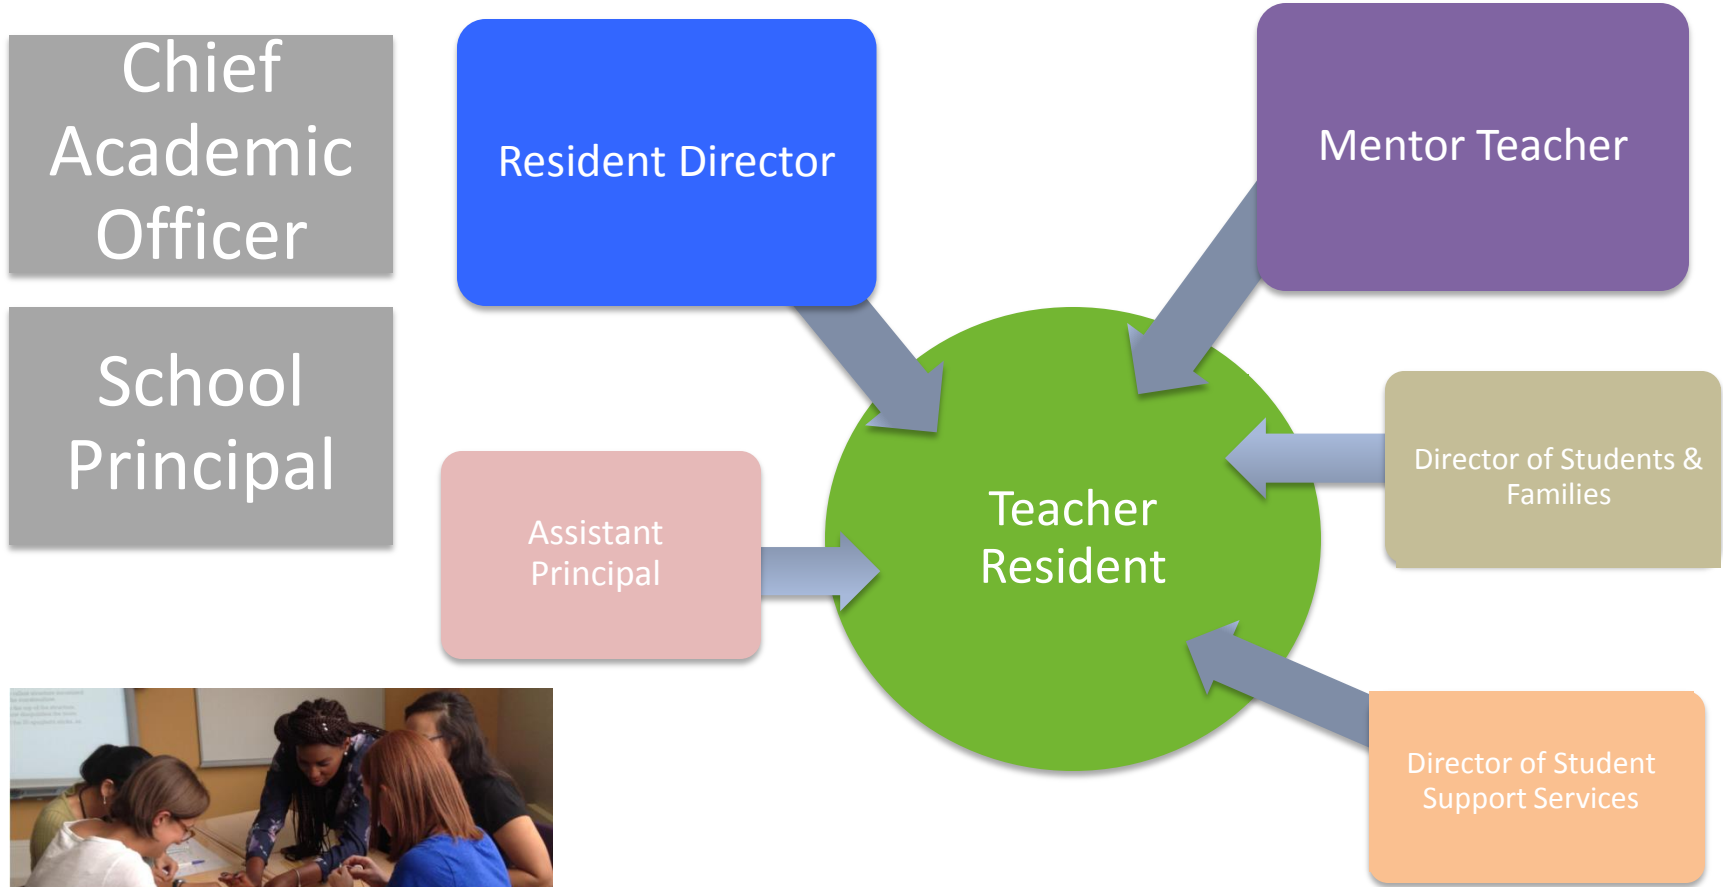

**We collaborate with TNTP & Match Education for our Teacher Residency Program.**

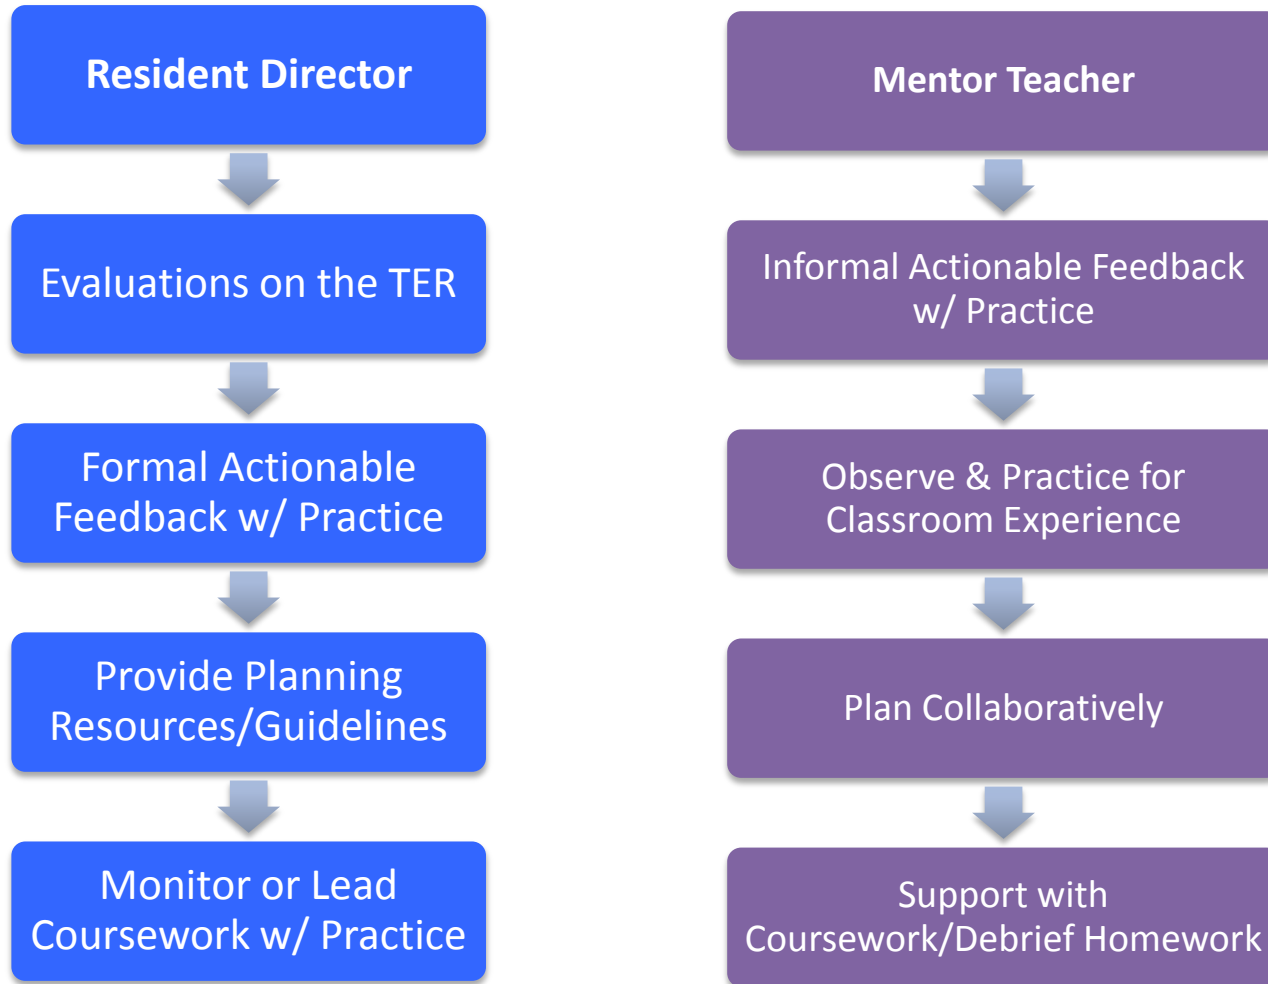

# Gradual Release

# A Teacher Resident's Support

# A Mentor Teacher's Responsibilities

# Mentor Teacher Support In Place

- **Role description, discussion, & selection process**
- **Summer training**
  - Ex: active listening, building trust, rubric norming, modeling and reflection protocol
- **Monthly cadre meeting**
  - Ex: in-the-moment coaching/feedback, reflection, co-planning protocol
- **Mentor Teacher rubric**
  - Practice, Data, Investment & Motivation
- **Resident Director's open office hours**

# Next Steps for Mentor Teacher Support

- **Needs assessment**
  - observation & feedback, leadership management, data-driven instruction, foundational skills
- **Selection process**
  - tailored job description shared with all staff
  - share & discuss data, analyze a teaching video, practice coaching
- **Summer training** (more robust)
- **Monthly meeting & handful of Saturdays** (more robust)
- **Mentor Teacher rubric**

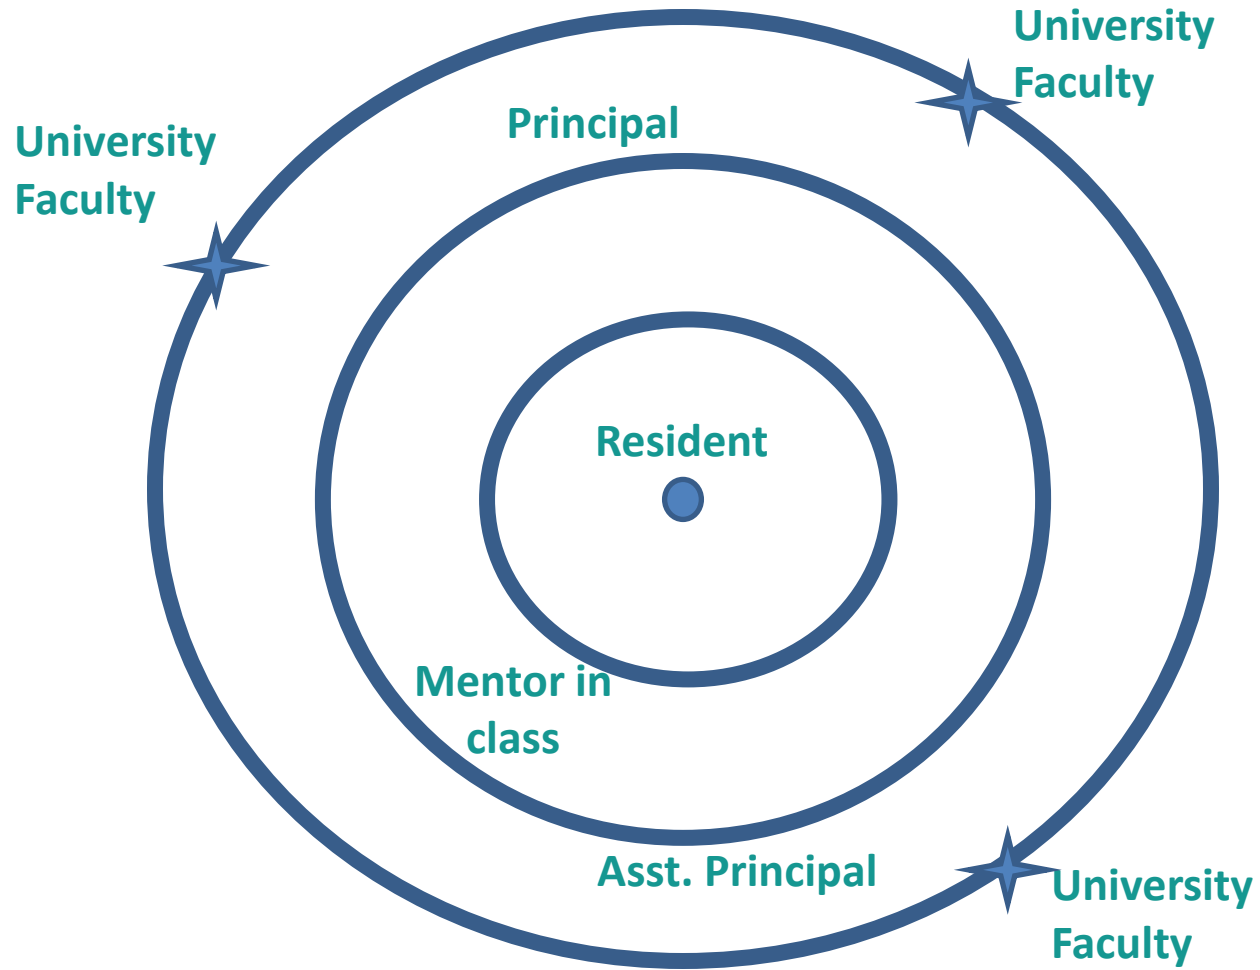

# Goal

*To provide a comprehensive support system for each candidate as they move through a school year long residency program*

# Circle of Support

# A Teacher Resident's Support

- **Mentor teacher** – daily contact and support
- **Principal/Assistant Principal** – available at all times and will have input in final evaluation
- **University Faculty** – biweekly visits or as needed
- **One year guarantee plan**
