Educator Background Credentialing

Credential Clearance for Educator Certification

Starting **January 1, 2025**, Louisiana law ([R.S. 17:8.9](#)) requires criminal background checks (CBCs) for **certification**.

A CBC will be required before a certificate can be issued, renewed, advanced, or modified.

Certification processes, forms, and technology are being revised to integrate the CBC requirement.

Certification applications submitted before January 1, 2025 will be processed **without** additional CBC requirements.

If you have questions, please email EducatorClearance@la.gov.

Revised Certification Process

First

Educator begins certification process using certification application & revised professional conduct form.

Second

If applicant has never held certification or if LDOE doesn't have a recent CBC on applicant, the educator completes the Credential Clearance (CC) application packet.

Third

LDOE reviews CBC to determine if there are disqualifying convictions.

Felony

If felony or R.S. 15:587.1C conviction, LDOE denies certification or censures existing certification record.

No Felony

If none, the CBC is considered "clear" and certification processing is continued.

If you have questions, please email EducatorClearance@la.gov.

IdentoGO by Idemia

IdentoGO by IDEMIA provides a wide range of identity-related services with the primary service being the secure capture and transmission of electronic fingerprints for employment, certification, licensing and other verification purposes – in professional and convenient locations.

IdentoGO has assigned LDOE a specific agency “service code” which will be provided with all disclosures when an applicant signs-off on an official authorization statement.

Fees Associated with CBC Process

- Applicant pays \$25.00 Credential Clearance (CC) application fee to LDOE directly through the online certification payment portal. This is separate from the certification application fee.
- Applicant also pays \$55.75* to IdentoGO for fingerprinting and for providing the CBC to LDOE. That fee is paid directly to IdentoGO at the time of fingerprinting.

*There is an additional fee of \$39.95 paid to IdentoGO for out-of-state applicants. IdentoGO encourages applicants to check for a location in close proximity to them to avoid additional fees for hard card fingerprinting since those are typically lower quality and result in higher rejection. **Best practice is for an applicant to wait until they can schedule fingerprinting at an IdentoGO location in Louisiana.**

Rap Backs

A rap back is an updated criminal history check provided to LDOE when there is subsequent criminal activity of individuals whose criminal background checks were completed pursuant to [R.S. 17:8.9](#), the law allowing CBCs for the purposes of credentialing.

After an individual has submitted fingerprints for the purposes of a criminal background check **for credentialing**, state law allows for follow-up rap backs to be provided to LDOE pursuant to [R.S. 15:587.1 B](#). The rap backs include state information only.

Actions & Sanctions

Certification may be denied, suspended, or revoked for:

- Conviction of or nolo contendere plea to **any felony** even if dismissed per Article 893/894, expunged, or granted first offender pardon
- Conviction of or nolo contendere plea to a crime listed in [LA R.S. 15:587.1\(C\)](#) (frequently referred to as a “never ever”) even if dismissed per Article 893/894, expunged, or granted first offender pardon
- Submitting fraudulent certification documentation to BESE or LDOE
- Facilitating cheating on any state assessment
- Censure of another professional credential/license

Reinstatement via a records review may be considered by BESE based on appeal law and policy outlined in Bulletin 746.

Background Credentialing Partnership

The new law requires a shared responsibility.

- **BESE** - establishes policies for checks, including obtaining fingerprints and requesting information from state and federal bureaus.
- **LDOE** - reviews the contents of the CBC before processing certification, making public any certification denial, suspension, and revocation.
- **PREPARATION PROVIDERS** - assist teacher candidates in applying for the pre-service certificates informing them of the CBC requirement.
- **EMPLOYING SCHOOL SYSTEMS** - notify LDOE upon the termination, resignation, or resignation in lieu of termination of any certified employee within 10 days of separation of service when the action results from conviction for any felony or any offenses listed in R.S. 15:587.1
- **CERTIFIED INDIVIDUALS** - required to report criminal convictions to LDOE within two business days.

Reporting can be done by emailing EducatorClearance@la.gov.

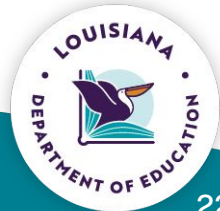

Certification Updates

Practitioner License Processing Update

Effective **January 1, 2025**, all alternate certification program changes will require a program **withdrawal** letter from the provider, with **acknowledging signature of teacher candidate**. Letter should include:

- University or Provider letterhead
- Candidate name and certificate number
- Program originally enrolled in (i.e. Certification only, Secondary Math)
- Program withdrawal date
- Program Dean (or designee) signature
- Teacher candidate signature

Practitioner Licensing Processing Update

Changes in program area or provider will be treated as an **initial** Practitioner License (PL);

- **Will not** require mentoring (or program progress) to change and be issued the new PL; will require **withdrawal letter**

All years on the PL **will count** toward total allowable years on a PL.

When changing **certification areas, or program provider**, the residency year will have to be **restarted**.

When changing program types **within a provider**, PLs will be considered on a case-by-case basis for eligibility of residency continuing through the change.

Literacy Exam

Initial applicants completing **in-state** preparation programs already enrolled in the year-long residency and holding either the PL or the R credential **prior to January 1, 2025**, are not subject to taking the Teaching of Reading exam.

Evidence required:

- Evidence of **enrollment** in the residency **prior to January 1, 2025**
- PL or R must be **issued prior to January 1, 2025**

To ensure PL and R applications are received, considered, and processed for credential issuance by January 1, 2025, it is strongly recommended applicants submit a complete application by no later than December 10, 2024.

Literacy Exam Requirements

Teaching of Reading exam is considered a **content** exam; therefore:

- Successful passage is required **prior to enrollment** in a post-baccalaureate program;
- Successful passage is required **prior to issuance** of a practitioner's license.
- Accepted exams for K-3 or special education areas are:
 - 5205 or 7002
