## Executive Summary

Louisiana Law ([Act 438](#)) and a policy established by the Louisiana Board of Elementary and Secondary Education (BESE) require that school systems administer a literacy screener not later than thirty days after the beginning of each school year to all students in kindergarten through grade 3. Annual screening is vital for ensuring that all students are on the right track to become proficient readers by the end of third grade.

School systems can choose among [four research-based screening assessments](#). The screening assessments measure a particular skill or skills that are typically predictive of later reading success. The skills build upon each other from one grade level to the next and are appropriately matched to children’s ages and developmental stages. The skills are also linked to standards children should be able to master at the beginning of each school year. The key skills measured at each grade level follow.

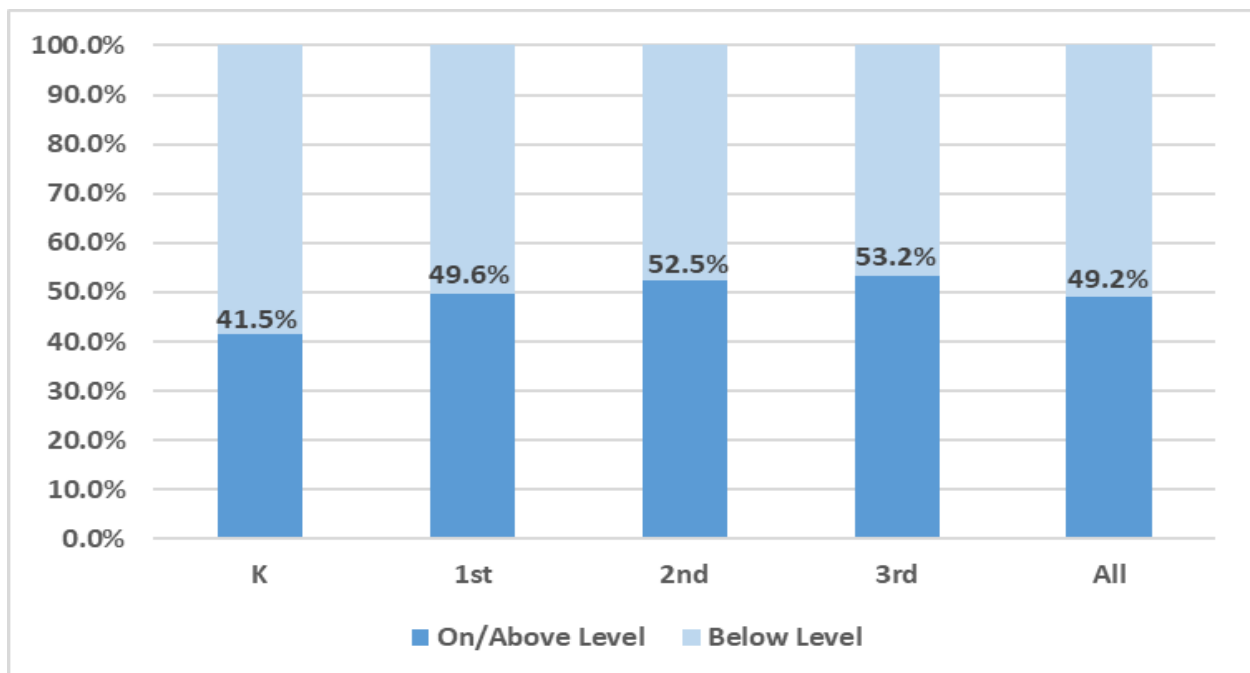

Kindergarten: **Phonemic Awareness**

First Grade: **Basic Phonics**

Second Grade: **Oral Reading Fluency**

Third Grade: **Reading Comprehension**

Students’ scores at each grade level are reported as either “On or Above Benchmark” or “Below Benchmark.” Students who scored “Below Benchmark” are considered “at risk” for reading difficulties according to authors of the assessments. Fall 2021 results revealed that 41.5% of kindergarten students, 49.6% of first graders, 52.5% of second graders, and 53.2% of third graders scored “On or Above Benchmark” for the measured skills. Overall, 49.2% of K-3 students scored “On or Above Benchmark”.

Although findings show an **increase of 4.1%** in literacy proficiency rates from Fall 2020 to Fall 2021 (Table 4), in sum, literacy screener results identify many children as “at risk” for reading problems and there is still much work to be done. These findings have led to a new set of actions focused on improving literacy in the early years. To bolster this effort, Louisiana re-established the Early Literacy Commission through [Louisiana Senate Resolution 133](#) and [Louisiana House Resolution 119](#). The department has worked alongside the commission to make progress toward the recommendations laid forth from the Commission. Spring 2021 legislation also resulted in the enactment of [Act 108](#) and [Act 438](#). Act 438 requires the Department work toward moving to a single universal screener. The Department has also updated the [Louisiana Comprehensive Literacy Plan](#) which outlines the state and school system’s key actions around four literacy pillars. Also guided by four literacy pillars, the Department has released and continues to release resources, tools, and support for systems, teachers, and leaders. These are shared in the [Literacy Library](#).

### **Literacy Goals**

Guidance and templates for planning and developing literacy actions, creating literacy plans, and reporting literacy screener results are available to support system leaders and teachers in setting and monitoring literacy goals.

### **Professional Growth**

Complete series on foundational literacy skills implementation are provided for teachers and leaders. Based on requests from the field, a series on K-2 writing is available and additional tools are in development.

### **Explicit Instruction, Intervention, and Extension**

Support for schools around literacy best practices includes scheduling and implementation guidance, information for librarians, templates for sound walls and phonological awareness activities, and guidance for providing targeted interventions and extensions.

### **Family Literacy Engagement**

Based specifically on recommendations from the commission, a workgroup was formed to explore and develop a strategic plan to improve family literacy engagement. In addition to that plan, the library houses numerous activities for schools and families to use in efforts to increase literacy skills. Many resources have been translated into the native languages represented in Louisiana schools.

## **Assessing Students' Reading Abilities Using Acadience Reading, Dynamic Indicators of Basic Early Literacy Skills (DIBELS 8th), System to Enhance Educational Progress (STEEP), and Strategic Teaching and Evaluation of Progress (STEP)**

Acadience Reading, Dynamic Indicators of Basic Early Literacy Skills (DIBELS 8th), System to Enhance Educational Progress (STEEP), and Strategic Teaching and Evaluation of Progress (STEP) are a set of standardized, individually-administered measures for assessing the acquisition of early literacy skills from kindergarten through third grade. These are brief fluency measures designed to regularly monitor the development of early reading skills. The critical skills necessary for successful beginning reading include phonemic awareness, phonics, fluency, vocabulary, and comprehension. The four benchmarking assessment measures assess students on four of these five critical skills directly—all of the critical skills listed above other than vocabulary, which is measured indirectly through comprehension. The assessments provide teachers with information about student reading and how well the student is progressing on a particular early reading skill.

The results are reported based on a student's level of skill attainment towards the benchmark goals. These empirically-derived benchmark goals are criterion-referenced target scores that represent adequate reading progress. They are based on research that examines the predictive validity of a score when compared to later measures and external assessments. Consequently, attainment of a benchmark goal indicates a student is likely to achieve the next benchmark goal and other important reading outcomes. Students who score below benchmark are determined to be at risk of remaining and falling further behind in literacy and school without being provided interventions of various degrees.

Results within this report are based on the particular measure given to students in the fall of 2021 depending on their grade level. Each measure assesses the skills expected of the student at the assessment period (specifically, at the beginning of the school year) and at a particular grade level. Across the four reported grades, 49.2 percent (45.1 percent last year) of the 202,919 assessed Louisiana students were considered "On/Above" level, (synonymous with "at benchmark").

Data systems were enhanced with error checks to ensure accuracy and reliability of scores reported by school systems. Additional data quality measures were put in place to increase reporting which included data submission review and strategic outreach to school system staff to ensure data accuracy and completeness.

Table 1 below lists the name of the subtest administered at each grade level for each of the four assessment options.

**Table 1. Subtests Administered by Grade for DIBELS 8<sup>th</sup>, DIBELS Next, STEEP and STEP**

GRADE	ASSESSMENT	SUBTEST NAME
<b>Kindergarten</b>	DIBELS 8 <sup>th</sup>	Phonemic Segmentation Fluency
	Acadience Reading	First Sound Fluency
	STEEP	Initial Sound Fluency
	STEP	First Sounds
<b>1st</b>	DIBELS 8 <sup>th</sup>	Nonsense Word Fluency-Correct Letter Sounds
	Acadience Reading	Next Nonsense Word Fluency- Correct Letter Sounds
	STEEP	Nonsense Word Fluency
	STEP	Reading Record
<b>2<sup>nd</sup></b>	DIBELS 8 <sup>th</sup>	Oral Reading Fluency-Words Correct
	Acadience Reading	Oral Reading Fluency-Words Correct
	STEEP	Oral Reading Fluency
	STEP	Oral Reading Fluency
<b>3<sup>rd</sup></b>	DIBELS 8 <sup>th</sup>	Maze
	Acadience Reading	Maze
	STEEP	Advanced Literacy (CBT)
	STEP	Retell

## Overall Results

Table 2 below displays the disaggregation of grade-level performance further by assessment for all literacy assessments given in Kindergarten through third grade.

**Table 2. Percentage of 2021 Statewide Testers by Performance Level and Assessment**

Assessment Name	Grade	On/Above Level	Below Level	Total Tested
<b>DIBELS 8th</b>	Kindergarten	40.0%	60.0%	23,514
<b>DIBELS 8th</b>	1st	51.3%	48.7%	23,653
<b>DIBELS 8th</b>	2nd	58.1%	41.9%	22,861
<b>DIBELS 8th</b>	3rd	60.6%	39.4%	22,270
<b>Acadience Reading</b>	Kindergarten	43.4%	56.6%	23,951
<b>Acadience Reading</b>	1st	49.1%	50.9%	24,822
<b>Acadience Reading</b>	2nd	48.7%	51.3%	23,905
<b>Acadience Reading</b>	3rd	47.3%	52.7%	23,022
<b>STEEP</b>	Kindergarten	40.7%	59.3%	3,307
<b>STEEP</b>	1st	45.5%	54.5%	3,498
<b>STEEP</b>	2nd	46.0%	54.0%	3,503
<b>STEEP</b>	3rd	43.9%	56.1%	3,374
<b>STEP</b>	Kindergarten	11.6%	88.4%	320
<b>STEP</b>	1st	2.7%	97.3%	300
<b>STEP</b>	2nd	8.0%	92.0%	301
<b>STEP</b>	3rd	63.2%	36.8%	318

Table 3 below displays the disaggregation of grade-level performance for all literacy assessments given in Kindergarten through third grade.

**Table 3. Percentage of 2021 Statewide Testers by Performance Level and Assessment**

Grade	Total Tested	On/Above Level	Below Level	On/Above Level %	Below Level%
Kindergarten	51,092	21,194	29,898	41.5%	58.5%
1st	52,273	25,942	26,331	49.6%	50.4%
2nd	50,570	26,564	24,006	52.5%	47.5%
3rd	48,984	26,069	22,915	53.2%	46.8%

### Data Suppression/Privacy

The Louisiana Department of Education has modified and/or suppressed data reported to protect the privacy of students in compliance with the Family Educational Rights and Privacy Act (FERPA) codified at 20 U.S.C. 1232g. The strategies used to protect privacy vary and may include rounding or other techniques but do not substantially affect the general usefulness of the data. Because of the privacy protections, numerical and percentage totals may not add precisely to the sum of the row or column to which the total refers. The symbol ~ is used for all percentages where the totals test takers in a particular grade and site are fewer than 10, and percentages greater than 95 percent and lower than 5 percent are replaced by >95% and <5%, respectively. An “NA” value indicates there were no testers in that grade at the school. An “NR” value indicates that results cannot be reported.

## Gifted Screening Summary

Act 688, recently passed, adds that students who score above grade level on the literacy screener shall be considered for gifted evaluation. In Fall 2021, LDOE administered a survey requesting information from school systems on the number of children who were referred for gifted evaluation as a result of their screening results. The results of the survey are presented in Table 8. Seventy-two traditional system systems and 63 charters responded to the survey. **Overall, results indicate that around 4,900 non-gifted students were referred for additional gifted screening and approximately 1000 of those were referred for gifted evaluation.** Results show that second graders were referred for additional gifted screening more than first and third graders. Results were relatively consistent across grades with slightly more second and third graders likely to be referred for follow up evaluation than first graders.

**Table 8. Gifted Screening Data**

<b>Grade</b>	<b>Number of students who scored <i>Above Average</i> on the literacy screener that were referred for additional <b>Gifted Screening</b></b>	<b>Number of students who scored <i>Above Average</i> on the literacy screener and received additional Gifted Screening that were referred for <b>Gifted Evaluation</b></b>
1st	1679	308
2nd	2418	381
3rd	1852	320
Statewide	5949	1009

**Note:** Gifted screening and evaluation procedures in Kindergarten are based on intellectual abilities and performance on a reading and math achievement test standardized at the first grade level per state regulations.
